

# LOOKING FOR ART THERAPY SUPERVISION?

On-going supervision group for art therapists working towards the ATR credential and in need of supervision facilitated by **Gretchen Miller, MA, ATR-BC, CTC:**

- Fostering the professional growth of the art therapist through facilitating involvement in, but not limited to: discussing client cases, reviewing client artwork, exploring appropriate art interventions, treatment planning, and program development needs;
- Providing current and up to date art therapy resources and information relevant to the art therapist's art therapy professional experience, population, setting, and interests

Group meets in Lakewood- Close to I-90.  
Individual appointments also available if needed.  
E-mail or call for more information & rates.

*Gretchen is a Registered Board Certified Art Therapist and Certified Trauma Consultant specializing in children, adolescents, and families impacted by childhood trauma, domestic violence, and grief & loss.
